## **A brief report on workshop on HIGHER EDUCATION AND JOB OPPORTUNITIES IN COMPUTER SCIENCE**

Held on 11 September, 2021

*Jointly organized by Department of Computer Science and IQAC Cell*

Aiming to provide intense information and guidance on higher education options and job opportunities in Computer field for the students of B. Sc. Final year and those have given final year examination of Computer Science department, a workshop on “Higher Education and Job Opportunities in Computer Science” was organized on 11 September, 2021. This report is a brief summary of the workshop.

Dr. A. B. Wadekar, Coordinator, IQAC cell was the Chairperson and inaugurator and Prof. P. G. Chaudhari, Head Department of MCA, Saraswati College, Shegaon was the speaker. Mr. V. V. Agarkar, Head Department of Computer Science was stated the purpose behind the organization of such workshop and also introduced the chairperson and the speaker.

Dr. A. B. Wadekar, Chairperson of the workshop inaugurated the workshop. He emphasized the importance of choosing the right higher education course in the fast-growing computer field and guided that it was important to pursue higher education keeping in view the available job and employment

opportunities.

Prof. P. G. Chaudhari guided the students on the various higher courses available and the scope of available jobs. He demonstrated with practical facts and compared various courses with their curriculum, needs and opportunities. He also clarified the opportunities in government jobs as well as in the IT sector. He said new opportunities are coming after the COVID pandemic. At the request of the students, he specially discussed in detail on M. Sc. in Computer Science, M.C.A. and various certification such as Microsoft, Google etc.

Total 85 students were registered for the workshop, among them 73 students were attended the workshop. A Feedback at the end of the workshop was taken from students and certificate of participation was distributed to the participated students.

The workshop was organized jointly by Department of Computer Science and IQAC Cell under the guidance of Hon'ble Shri Ramvijayji Burungale, President of the education society and Dr. R. E. Khadsan, Principal of the college. Miss. P. R. Bawaskar

anchored the program and Miss. S. S. Wakte delivered vote of thanks. All teaching and non teaching staff of Computer Science department was the members of organizing committee.
